

Privacy Policy

Thank you for visiting Southwestern Child Development Commission Inc.'s ABC SignUp Registration System. This privacy policy tells you how we use personal information collected at this site. By using the site, you are accepting the practices described in this privacy policy. These practices may be changed, but any changes will be posted and changes will only apply to activities and information on a going forward, not retroactive basis. You are encouraged to review the privacy policy whenever you visit the site to make sure that you understand how any personal information you provide will be used.

Note: the privacy practices set forth in this privacy policy are for this website only. If you link to other web sites, please review the privacy policies posted at those sites.

Collection of Information

Southwestern Child Development Commission Inc. collects personally identifiable information (such as names, postal addresses, email addresses, telephone numbers, etc.) when voluntarily submitted by our visitors. The information you provide is used to fulfill your specific request. This information is only used to fulfill your specific request, unless you give us permission to use it in another manner.

Distribution of Information

Southwestern Child Development Commission Inc. may share information with governmental agencies or other companies assisting us in fraud prevention or investigation. We may do so when: (1) permitted or required by law; or, (2) trying to protect against or prevent actual or potential fraud or unauthorized transactions; or, (3) investigating fraud which has already taken place. The information is not provided to these companies for marketing purposes.

Commitment to Data Security

Your personally identifiable information is kept secure. Only authorized employees (who have agreed to keep information secure and confidential) have access to this information.

Privacy Contact Information

If you have any questions, concerns, or comments about our privacy policy you may contact us using the information below:
