- Post-testing
- Announcements

# Course Purpose

**To provide training for local communities to prepare for and manage Mass Care and Emergency Assistance (MC/EA) functions effectively.**

# Course Goal

**The goal is to prepare community agencies, organizations, and businesses to work together in coordination with emergency management and traditional Mass Care providers to plan and provide Mass Care and Emergency Assistance services to those affected by disaster.**

**FEMA**

# Course Objectives

- **Define the four Mass Care and Emergency Assistance services as discussed in this course.**
- **Describe how to determine your community's Mass Care and Emergency Assistance resource requirements.**
- **Identify providers that exist in your community or can be called upon from a nearby community to meet the requirements for Mass Care and Emergency Assistance.**

# Course Objectives (Continued)

- **Name planning and operational actions that can affect how services will be provided.**
- **List action items to utilize community resources and providers to meet Mass Care and Emergency Assistance requirements in your community.**
